# Welcome to **Europass Teacher Academy**

## + **Trained over 20.000 teachers in the last 10 years**

A team of teachers with great experience, motivation and up-to-date knowledge. In 2019, over 4.300 teachers attended our courses from 61 different nationalities.

## + **Over 25 years of experience**

Accreditation by the Tuscany Regional Government for the design and provision of training activities and courses. Certified Quality Management System UNI EN ISO 2015:9001

## + **Paving the way in educational change**

Education is constantly evolving and we work hard to be at the forefront of the change. This means we stay up to date, follow new trends and offer courses suited to the world we live in. Update your CV alongside our amazing team.

## + **Many different topics, 19 locations and 9 different countries**

We have a large selection of courses available, the largest selection in the KA1 teacher training catalogue of the European Union.

## + **Helpful, flexible, trustworthy**

We guide our participants through every step of the project: from the grant application to the Erasmus+ final documents. We are proud to say that

99% of participants of our courses reported they are satisfied with our work.

## + **Certificate of attendance and small groups**

We only confirm each course session when we have enough participants. When you receive your Booking Confirmation you can be 100% sure that your course will run. No bad surprises and no wasted plane tickets.

## + **Courses on demand**

If you wrote an Erasmus+ project on a specific topic, Europass can design a course exclusively for you, according to your project goals and objectives.

**Study in Florence, Barcelona, Dublin, Berlin...**

Update your teaching skills while visiting amazing cities with us!

**...and many more!**

At Europass, we provide both **one week** and **two weeks** courses, all year round. Classes are held daily, Monday to Saturday.

---

Our courses are inspired by the **European Union's Erasmus+ KA1** program to provide teachers with an opportunity to travel abroad, receive training in the most innovative strategies for 21st century education, and exchange professional experiences and best practices with international colleagues – all while visiting one of Europe's most spectacular cities.
